

Certificate

The BFSV Verpackungsinstitut Hamburg GmbH
is confirming to

PTS Logistics GmbH

Containerstr. 13

D – 28197 Bremen

that the said company possesses and uses the technical and administrative resources required
for the planning, production and handling of heavy goods packages.

This certification is based on:

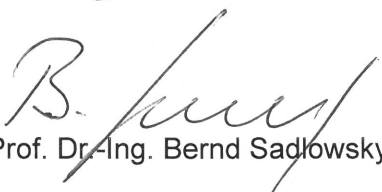

- the certification according to ISO 9001
- the on-site inspection of the technical facilities for construction and handling of heavy cargo packages,
- the on-site inspection of heavy cargo packages and
- the qualification of the personnel employed.

The proprietor is entitled to use the BFSV test seal for the certified packages
in the form shown above.

Issued on: 23.09.2020

This certificate is valid until September 2022

Hamburg, 23.09.2020

Prof. Dr.-Ing. Bernd Sadlowsky

- Director of the Institute -
